

STATE OF DELAWARE
DEPARTMENT OF NATURAL RESOURCES AND ENVIRONMENTAL CONTROL
DIVISION OF WATER RESOURCES
GROUND WATER DISCHARGES SECTION

Application to Obtain a Class E (System Contractor) On-Site License

The following information will assist you in applying for a Class E (System Contractor) On-Site License.

1. Applications must be received by the Department at the address below, no later than the last day of the month **with a \$40.00 non-refundable application fee** (cash or check made payable to "Division of Water Resources" is accepted). The completed application will be forwarded for review by the On-Site Systems Advisory Board (Board) on the first Wednesday of the next month. Applications are valid for twelve (12) months from date received.
2. Upon application approval by the Board, written, closed-book examinations are given once a month, on the third Thursday of each month at 9:00 A.M. All exams are given in the Richardson and Robbins Building Auditorium, 89 Kings Highway, Dover, DE 19901. If the applicant receives a passing score on their examination (70% or better), the \$40.00 non-refundable application fee (per on-site license) will be applied to the annual \$40.00 license fee.
3. All materials required to take the exam(s) will be furnished.
4. Applicants are required to show photo identification prior to testing. A driver's license is acceptable.
5. Anyone conducting business in the State of Delaware must have a Delaware Business License. Contact the Division of Revenue: New Castle County (302) 571-8200, Kent County (302) 744-1085 or Sussex County (302) 856-5358. Toll free for Delaware only (800) 292-7826.
6. The State of Delaware Regulations Governing the Design, Installation and Operation of On-Site Wastewater Treatment and Disposal Systems (Regulations) are available in either the Dover or Georgetown Office for \$5.00 each. Make checks payable to the "Division of Water Resources." The Regulations are available electronically free of charge at:

<http://www.dnrec.state.de.us/water2000/Sections/GroundWat/GWDSRegulations.htm>

7. If you require any further information, please contact the On-Site Licensing Coordinator at (302) 739-9948. Other information regarding Licensing is available via the internet:

<http://www.wr.dnrec.delaware.gov/Information/GWDInfo/Pages/GroundWaterDischargesLicensesandLicensees.aspx>

Return the original application with the application fee to:

Application to Obtain a Class E (System Contractor) On-Site License

The purpose of the examination is to test the applicant's knowledge of the sections of the Regulations, which pertain directly to the type of license for which the applicant is applying. Therefore, the examination for Class B and E licenses do not contain questions concerning percolation testing and the Class B examination does not contain questions covering the installation of on-site wastewater treatment and disposal systems. However, the Class E examination does cover some of the same information as the Class B examination, because some of the same knowledge needed to design systems is needed to install them. **You must obtain a 70% or better to receive a Class E (System Contractor) license.**

Class E Examination

This examination consists of 64 multiple-choice and true/false questions worth 1.25 points each and 10 questions relating to a drawing worth 2 points each. Test questions are on information contained in **Definitions, Section 4.00000, Section 5.00000, Section 6.00000, and Exhibits.**

Typical question:

- 1) The slope of the sand fill in a sand mound not directly beneath the filter aggregate shall be:
 - a. 2 to 1
 - b. 5 to 1
 - c. 3 to 1
 - d. 1 to 2
